

Dear Coaches,

On behalf of the Board Members of the Kachina Klassic Tournament, we would like to welcome you to the 24th Annual Kachina Klassic soccer tournament!

CHECK IN for this weekend's tournament will be **Friday from 6-9 PM** at the field at Dobson High School, 1501 W. Guadalupe Rd, Mesa, AZ) on West side. **If you are coming from out of town and are running late, please call Melani @ 602-885-8809.**

Items to bring to check in: Player and coach ID cards, Medical Release forms, and Roster (if it has changed or we did not receive a signed copy with application). Non AYSO teams must bring birth certificates as well.

This weekend at Dobson High school we encourage you to use the back parking lots, especially on Sunday as the church across from the school uses the front parking lot for overflow parking. Please do not park RV's or buses in the front parking lot, there is plenty of parking on the south side of the school.

Please remember that we are at a school facility and there are NO pets, NO alcohol, NO tobacco, NO drugs allowed on the campus.

We also have been granted the use of the Dobson football stadium and the stadium at Rhodes Jr. High School. Please only enter the stadium at Dobson at the designated area, stay off the track. Please respect these properties and clean up after your team. We would like to have the ability to use them in the future!

Schedules will be posted this week and will be in the information packet that you will receive at check in. Please refer to the tournament booklet for the rules and regulations. We have also attached the concession stand menu and prices. We also are requesting that you support the vendors who have come to the tournament and are continuing to support our region.

You will be given a trash bag each time you check in your team for a game, please make sure the sidelines are cleaned when you leave the field. Remember that sportsmanship also reflects sideline maintenance.

If there is anything else that we can do to make your visit complete, please let us know! Best wishes to all of the teams. May the weekend be filled with positive experiences, good soccer games and fun for all involved!

Sincerely,

Maureen Dietrick, Melani Jaskowiak, Becky Prince
Tournament Directors
